

Just a reminder!!

Bridal Veil Tram Notes:

Talk to Ray <sup>Guyman</sup> Crandall of Intermt. Lift

Rue Clegg took over about 1958 from  
from Tram opened 1961

Rue employed a Swiss Cableman  
named: Paul Hunsaker <sup>Bachman</sup> & Ray Guyman  
Crandall & Wm (Billy) Dominguez

Billy drove a <sup>catpillar</sup> trail car off upper  
ledge & was killed 18 Dec 1962

1891  
The first year was very dry  
and the crops were very poor  
The second year was very wet  
and the crops were very good  
The third year was very dry  
and the crops were very poor  
The fourth year was very wet  
and the crops were very good  
The fifth year was very dry  
and the crops were very poor  
The sixth year was very wet  
and the crops were very good  
The seventh year was very dry  
and the crops were very poor  
The eighth year was very wet  
and the crops were very good  
The ninth year was very dry  
and the crops were very poor  
The tenth year was very wet  
and the crops were very good
